**Notice of Change in Policy Terms**

301 W Bay St
Jacksonville FL 32202
www.citizensfla.com

This notice is provided to you to inform you of changes made to your policy. These changes affect the coverage provided under your policy. You may contact your agent or company to discuss these changes.

IMPORTANT NOTICE REGARDING COVERAGE LIMITS**IN YOUR RENEWAL OFFER**

Dear Policyholder: Citizens underwriting rules require that your dwelling be insured to at least 100 percent of replacement cost value. This is the Coverage A limit of liability (Coverage A Limit) shown in your policy Declarations.

Due to recent decreases in construction costs, the enclosed renewal offer is for a policy that provides a lower Coverage A limit than under your current policy. Your lower Coverage A Limit also decreases other coverage limits under your policy as applicable, such as the limits of law and ordinance coverage, contents coverage, additional living expense coverage, and loss of rents coverage.

If you would prefer to renew your policy with no change in your current Coverage A Limit, please contact your insurance agent for assistance in changing your Coverage A Limit and to obtain the renewal premium quote for such policy.

This notice is provided as a courtesy. A future renewal offer may not provide this notice if Limits of Insurance have not been decreased.

- **Dwelling After Loss:** The dwelling condition as follows:
 - In the first paragraph, the second "Dwelling After Loss" is deleted.
 - The definition of "dwelling" is deleted.
 - The definition of "dwelling" is replaced by the following:
 - The statement "After Loss, Dwelling condition shall be as follows:" is deleted.
 - The reference to "C. Habitability" is deleted.
 - The reference to "the end of the dwelling" is deleted.
 - The definition of "dwelling" is replaced by the following:
 - The word "dwelling" is deleted.
 - The word "dwelling" is replaced by the word "dwelling" in your endorsement.

Before this endorsement is placed in your policy, it must be countersigned by the insurance company. Please sign and return the endorsement to us as soon as possible. If you do not receive a signed endorsement by the time you renew your policy, we will consider your policy non-renewed.

Notice of Change in Policy Terms

The purpose of this Notice of Change in Policy Terms is to inform you of changes to the terms, coverage, duties and conditions of your renewal policy. If you choose to accept our renewal offer, you should carefully review the changes described below along with the enclosed policy. Please consult your agent if you have any questions about the changes or the coverage provided. Receipt by Citizens of the premium payment for your renewal policy will be deemed acceptance of the new policy terms by the named insured.

CITIZENS HOMEOWNERS 3 - SPECIAL FORM

The coverage descriptions shown in your Declarations, such as your coverage limits, rating/underwriting information or deductibles, may be stated differently. If a description of your coverage has changed, or if other information has changed, please consult with your Agent. Additionally, due to changes in construction and labor costs, your renewal offer may include a higher or lower Coverage A limit of liability (Coverage A Limit). If your renewal offer indicates a lower Coverage A Limit and you prefer to renew your policy with no change in your current Coverage A Limit, please contact your agent to determine whether such policy is available to you and, if so, to obtain the renewal premium quote for such policy.

Citizens Property Insurance Corporation

POLICYHOLDER ASSESSMENT EXAMPLE

To illustrate the potential assessment obligation of a Citizens policyholder compared to a policyholder insured by a private insurer, we have prepared an example based on an annual premium of \$3,000. Your actual assessment amount will vary based on your annual premium.

The assessment will be in addition to the premium you pay for insurance coverage.

	Citizens Policy	ABC Insurance Policy
If your annual premium is:	\$3,000	\$3,000
Tier 1: Potential Citizens Policyholder Surcharge (one-time assessment up to 15% of premium)	\$450	N/A
Tier 2: Potential Emergency Assessment (up to 10% of premium annually, may apply for multiple years) ¹	\$300	\$300
Potential Annual Assessment:	\$750	\$300

Tiers are used to demonstrate the multiple levels of assessment defined by Florida Law.

Assessment tiers are triggered based on the severity of the deficit.

Assessments are based on the greater of the projected deficit or the aggregate statewide written premium for the subject lines of business. The above example is based on the use of premium.

Notes:

- 1 – Tier 2 assessment may be collected each year over multiple years, depending on the extent of the deficit. In the event that subsequent years also generate a deficit, additional assessments could occur.

**POLICYHOLDER NOTICE
IMPORTANT INFORMATION**

Dear Policyholder,

This offer of renewal contains a separate deductible for hurricane losses and a separate deductible for all other peril (AOP) losses. The hurricane deductible and AOP deductible you previously selected are shown in the enclosed Declaration page(s) of this renewal offer.

Citizens offers you the choice of several hurricane deductible options. If your policy dwelling limit is \$100,000 or more (or personal property limit, if applicable), you may choose a hurricane deductible of 2, 5 or 10 percent of your limit. In addition to these deductibles, you may also choose a hurricane deductible of \$500 if your policy dwelling limit is less than \$100,000 (or personal property limit, if applicable).

The all other perils (AOP) deductible options you may choose are \$500, \$1,000 or \$2,500, but may not exceed the hurricane deductible you select.

All of these deductible options may not be available due to the policy dwelling limit (or personal property limit, if applicable).

You may select different deductibles now or at any future renewal. If you have suffered hurricane losses in the current calendar year, a request to reduce your hurricane deductible will not be effective until January 1 of the following year.

A mandatory sinkhole deductible may apply in some policies and will be shown in your Declarations, if applicable.

If you have questions about these deductibles or want to change your deductibles, contact your Citizens agent for assistance. **The request to change your deductibles must be received by Citizens prior to the renewal date of your policy.**

This notice does not provide coverage nor does this notice replace any provisions of your policy. You should read your policy and review your declarations page for complete information on the coverages you are provided with. If there is any conflict between the policy and this notice, the provisions of the policy shall prevail.

Checklist of Coverage

Policy Type: Homeowner's

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.

This form was adopted by the Florida Financial Services Commission.

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information ***

About Your Personal Residential Insurance Policy

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out-of-pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane -wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 92%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$842.00 which is part of your total annual premium of \$1,174.00. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

* Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.

Homesharing Activities - This Policy limits coverage for homesharing activities and does not provide personal liability coverage for homesharing activities.

Claims, Supplemental Claims and Reopened Claims - A claim or reopened claim is barred unless notice of the claim is given to us in accordance with the terms of the policy within 1 year after the date of loss. A supplemental claim is barred unless notice of the supplemental claim is given to us in accordance with the terms of the policy within 18 months after the date of loss.

Sinkhole Loss - This policy does not protect you against loss due to sinkhole activity, unless Sinkhole Loss Coverage is shown in your Declarations and form CIT 23 94 is also shown in your Declarations. If coverage is provided, a separate sinkhole deductible will apply and any sinkhole claim, including, but not limited to, initial, supplemental, and reopened sinkhole claims under this policy is barred unless notice of the sinkhole claim is given to us in accordance with the terms of the policy within 2 years after you knew or reasonably should have known about the sinkhole loss. Be sure to contact your agent to obtain this important coverage.

Deductibles - Your policy includes a calendar year hurricane deductible and an all other perils deductible, selected by you. The deductible is the amount of loss you must incur before this policy pays.

Flood - This policy does not protect you against loss due to flood or wave wash. Flood insurance is available through the Federal Government and other insurers.

Citizens cannot insure or continue to insure your risk if you do not secure and maintain flood insurance in accordance with Florida law. Citizens may deny you insurance coverage if there is failure to secure and maintain flood insurance. See your Insurance Agent for additional detail.

Windstorm - In some areas of the state, generally coastal areas; windstorm and hail coverage, including hurricane coverage, may not be provided in your policy. The exclusion of windstorm coverage is indicated by form CIT 04 94 in your Declarations.

Be sure to contact your agent to obtain this important coverage if it is not provided in your policy.

Loss Settlement - Buildings at replacement cost. However, if at the time of loss, the amount of insurance you have purchased for the insured building is less than 80% of the value of the building, we will not pay you replacement value. Instead we will pay the greater of either actual cash value of that part of the building damaged or a proportion of the cost to repair or replace that part of the damaged building which the total amount of insurance in your policy on the building bears to 80% of the replacement cost of the building.

Coverage F - Medical Payments To Others

Provides coverage for reasonable and necessary medical expenses if a guest is injured on your premises or, under certain circumstances, off the insured premises.

NONRENEWAL AND CANCELLATION PROVISIONS

All cancellations are granted a pro-rata return of premium. **Your Right To Cancel** - You may cancel the policy at any time, for any reason, by giving us advance written notice of the future cancellation effective date.

Our Right To Cancel - If the cancellation is due to nonpayment of premium, we will give the first named insured at least 10 days advance written notice. For all other cancellations, the following applies.

When the policy has been in effect for 60 days or less and there has been a material misstatement, misrepresentation, or failure to comply with underwriting requirements, we may cancel immediately.

If your policy is cancelled for other than above, we may cancel by giving the first named insured at least 20 days written notice before the date cancellation takes effect.

If your policy has been in effect over 60 days, we may cancel your policy for only a limited number of reasons. We will then give the first named insured at least 120 days advance written notice.

Other cancellation conditions may also apply, for example when the property has been damaged as a result of a hurricane or pursuant to Section 627.351(6) Florida Statutes, your failure to maintain flood insurance. We may also cancel for specified reasons when the risk was most recently insured by an insurer that has been placed into receivership.

Nonrenewal - If we do not intend or are unable to renew your policy, we will mail written notice to the first named insured. We will do so at least 120 days before the expiration date of the policy.

Except, if an offer of coverage from an authorized insurer is received at renewal through Citizens' policyholder eligibility clearinghouse program renders such risk ineligible for Citizens; or nonrenewal is for a policy assumed by an authorized insurer offering replacement or renewal coverage to you; we will nonrenew your policy and mail the written notice at least 45 days before the expiration date of the policy.

Renewal - The renewal premium payment must be received no later than the renewal date or coverage will not be renewed.

IMPORTANT - Citizens requires that your dwelling be insured to at least 100 percent of replacement cost value. This is the Coverage A limit of liability (Coverage A limit) in your Declarations. Due to changes in construction and labor costs, renewal offers may include a higher or lower Coverage A limit. A lower Coverage A limit decreases other coverage limits, including the limits of law and ordinance coverage, contents coverage, additional living expense coverage, and loss of rents coverage. If your renewal offer indicates a lower Coverage A limit and you prefer to renew your policy with no change in your current Coverage A limit, please contact your agent to determine whether such policy is available to you and to obtain the renewal premium quote for such policy.

Depopulation Provisions – Your policy may be taken out, assumed, or removed from Citizens and replaced by a policy that may not provide coverage identical to the coverage provided by Citizens.

PREMIUM CREDITS

The following are brief descriptions of premium credits available on your homeowner's policy. Your policy Declarations page will show which of these credits, if any, apply to your policy.

Protective Devices - If your home has a qualified central station burglar alarm, central station fire alarm or automatic fire sprinkler system, you may be eligible for premium credits.

Deductible Credits - Deductible options greater than the calendar year hurricane deductible of 2% and other perils deductible of \$1,000 are available for a premium credit. Deductibles less than the standard deductibles may be available, which if selected, will result in a premium increase.

Florida Building Code - Housing features such as roof covering, roof shape, roof deck attachments, secondary water resistance, roof to wall connection and opening protection (qualifying shutters or other protective devices) may qualify for a premium credit. Contact your agent for more information.

Superior Construction - Certain homes of fire resistive or wind resistive construction are eligible for a premium credit.

If the party served with a written demand believes that the dispute is ineligible for resolution before DOAH for some reason, it shall promptly so advise the party that made the written demand.

Mediation is Condition G.1. in SECTION I CONDITIONS, G. Alternative Dispute Resolution.
- e. The party who made the written demand shall initiate the arbitration proceeding by promptly filing and serving a request with DOAH for a hearing, which shall specify the amount of damages in dispute (if known), the relevant policy provisions, and the claim determination by us. We shall be served by email to doah.requests@citizensfla.com. You or your counsel shall be served by email, or by certified or registered mail, return receipt requested and obtained, to the last mailing address as provided in the policy or the address listed for the attorney with The Florida Bar, as may be applicable.

- f. The arbitration shall determine all disputes regarding, arising out of, or relating to, the claim determination, including but not limited to the determination of coverage, policy exclusions and limitations, all defenses raised on the claim, and the amounts of policy benefits payable. The arbitration's resolution shall be valid, final, and binding on the parties. The arbitration award shall not itself be subject to appeal but is subject to the provisions of the Revised Florida Arbitration Code. Any arbitration proceedings by Zoom or any other remote technology shall be considered as having been held in Leon County, Florida for purposes of Section 682.19, Florida Statutes.
- g. Discovery and the conduct of the final hearing shall be governed by the Florida Rules of Civil Procedure and the Florida Evidence Code, except as may be modified by the administrative law judge (ALJ), including those provisions allowing the imposition of sanctions, other than contempt.

The ALJ may issue any orders necessary to effectuate discovery, to prevent delay, and to promote the just, speedy, and inexpensive resolution of all aspects of the dispute.

The final hearing shall be held not sooner than 75 days nor later than 100 days from the initiation of the proceeding, unless the time is extended for good cause shown by a detailed written order from the ALJ.
